Dear ABSS Board Chair, Sandy Ellington Graves, Fellow board members and our amazing community,

As each of you know, I've had some health issues which have kept me from giving 100% and that's not fair to the ABSS staff, my fellow board members and those who voted for me.

My health seems to be on the mend, but now my duties and responsibilities to my 4 businesses have doubled requiring more of my time and energy. I've come to realize that I'm a better service to our community behind a radio microphone.

With that said, it's with a very heavy heart that I tender my resignation from the ABSS Board of Education. I will make my resignation as of today so you all can move on with finding someone who will serve my remaining term.

I've enjoyed advocating for ABSS staff and students. I've loved working with this board and the prior board as well.

Thank you and God Bless each of you.
